Greetings:

A very important meeting is scheduled for the Peel Public Employees Committee.

Brother Clarence Dungey, National Representative will be guest speaker. Brother Dungey will be talking to us concerning Bill 179, and his involvement with the C.U.P.E. Locals to erect a powerful provincial committee that will be well organized so that we can fight off future attacks against our civil liberties.

I would suggest that each local attempt to have their executive and shop stewards attend this meeting.

DATE: Thursday, March 17th, 1983.

PLACE: John Fisher School,  
 Brampton, Ontario.

TIME: 7:30 p.m. (sharp).
